

The company we keep makes us the #MostGivingCompany.

Every member of our team is helping make a difference through acts of giving, big and small.

It All Adds Up

2 million youth impacted annually through community giving.

\$1.3 billion of value contributed since 2000 by TELUS, team members and retirees in financial support & volunteerism.

\$150 million contributed to local charities in 2018 - more than any other company.

1 million hours volunteered by team members and retirees in 2018.

We Give Where We Live

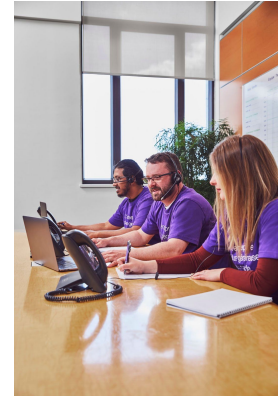

Using music as medicine
Tom Su, TELUS Customer Care
Tom uses the power of musical therapy to ease the pain of thousands of palliative care patients. He knows the universal language of music can bring joy to those who need it most.

Turning the tide for our oceans
Gail Jones, TELUS Customer Operations
Gail dedicates hundreds of hours to help keep the sea plastic free. She does her part to improve the environment because, from coast to coast, it's everyone's responsibility.

Growing a revolution
Ashton Singh, TELUS Sales
Ashton volunteers thousands of hours to teach kids about sustainable practices and going green. He leads by example to inspire youth and help them grow because the future is in their hands.

Answering calls for help
Dominic Ian Boucher, TELUS Customer Support
Dominic volunteers hundreds of hours raising funds for courageous kids with illnesses through his work planning and answering telethon calls. He has taken matters into his own hands because miracles don't happen on their own.
