

People-person wanted.

What's the difference between a good experience at Walmart and a great experience at Walmart?

It comes down to our friendly, knowledgeable team.

Our Customer Experience associates interact with every single one of our customers, acting as the warm smile and the helping hand that we pride ourselves on being. It's up to our incredible team to present Walmart's values to everyone who walks through our doors.

Sure, we could write a job description that talks about your responsibilities in the role and your every-day tasks... but what makes our roles at Walmart so special is the people who fill them. It's all about what you bring to the table: your personality, your demeanor, and your smile that will brighten the days of our customers and make each of them feel special and eager to return.

Our stellar team is seeking applicants with the following traits:

great listening skills welcoming genuine helpful positive attitude friendly demeanor energetic strong communication outgoing happy to help self-starter inquisitive mind eagerness to be part of a winning team fun

At Walmart, every role matters. That's why we proudly offer benefits to part-time associates and Part-Time Flex roles with the flexibility of more hours when you need them, and fewer when they are not needed, allowing for the other important things in your life.

If you love people and want to work with a winning team that sees every customer as the unique, valued individual that they are, then we can't wait to meet you.
